

0800 – Phase one – Space only Contractor Access

This floor plan, highlighted in red, represents Phase one of the exhibition. It contains numerous booths for companies such as Sulmara, Exail, SEA.BIRD Scientific + Planet Ocean, Argeo AS, OSIL, Global Underwater Hub, and many others. The layout includes various sized rooms and corridors, with some areas marked for storage.

1000 – Phase two – Space only Contractor Access

This floor plan, highlighted in blue, represents Phase two of the exhibition. It features larger exhibition spaces, including the Ocean Futures Theatre, Dutch Ocean Grp, Canada Pavilion, and various other booths like Hexagon, Marine Magnetics, and Oceanus. The plan also shows a catering area, food trucks, and storage spaces. The bottom of the plan includes a detailed layout of the entrance area with lorryways, emergency vehicle access lanes, and visitor evacuation routes.
